*In the afternoon,*

*In the evening,*

*At night,*

1. Sequence words

*First, next, after that, then, finally*

On my usual work day, I do several things. In the morning, first I usually wake up at 6am. Then, I brush my teeth and put on my uniform. Next, I eat my breakfast at 8am. I sometimes go to the Detecta Clinic in order to assist patients. In the afternoon, I return home at 2pm, after that I take a shower and I have lunch with my wife. We often talk about different things about medicine and other topics. Then, I take a nap for 20 minutes. In the evening, I start work with my computer doing remote consults around 8 PM. At night, I sometimes watch TV until 11 pm. Finally, I go to bed at midnight.

# Happy New Year!

In the Netherlands, New Year's Day is always on January 1. It's very cold, so people stay home and clean their houses. They have a party with their friends, and they eat special food, like donuts. In the evening, they watch a funny TV program about the old year, and then there are fireworks.

# Happy New Year!

Chinese New Year is in January or February. The date is different every year. It's a big celebration that lasts for 15 days. People don't go to work. They clean their houses and send cards to their friends. They eat a big dinner with their families, and they give presents and money to all the children. At night, they watch fireworks.
